

Group Visit Risk Assessment Summary

Let Loose! Adventure Park the Health and Safety of our visitors is our primary priority. We work with local, national and international experts and East Riding of Yorkshire Council to assess the safety of our provision.

As part of our management of Health & Safety we regularly update Risk Assessment for all Activities. As a Group Leader you are obligated to conduct your own Risk Assessments relevant to your visit

We must stress that whilst Let Loose! provides staff on certain activities to ensure they are being used correctly, all children remain the responsibility of the Group Leader and must be supervised at all times.

To arrange a complimentary visit to carry out your own Assessments please call 01482 843475.

Should you have any queries please contact a member of staff who will be happy to help.

We hope you have an enjoyable visit.

Below is our Summary Risk Assessment for your visit to the Let Loose! Adventure Park.

HAZARD OR ACTIVITY	RISKS	POTENTIAL TO CAUSE HARM	CONTROLS IN PLACE AND ACTION REQUIRED BY VISITORS
Play Areas	Falling Tripping Entrapment Crush injuries Impact	Medium	Children must be supervised at all times. All signage instructions must be adhered to at all times. Play equipment is checked daily and the results recorded, with any remedial action required carried out immediately. All our equipment is independently inspected on an annual basis. All play areas and equipment have individual specific risk assessments in place. (available on request) Training manuals - trained staff only to supervise equipment. Group Leaders must ensure that children wash their hands after playing in play areas and on play equipment and before eating or drinking. Please DO NOT use gels or wipes instead of washing hands with soap and water. There are hand washing facilities on site. Hands MUST be washed with running water and soap.
Agility Course	Falling/Slipping Landing awkwardly Muscle Strain	Low/Med	The area is covered with play bark and kept to a minimum depth of 300mm. This activity is checked daily and the results recorded. Annual Outdoor Play equipment Inspections carried out with ROSPA.
Slide - Fireman Pole - Adventure Park	Fall from height Impact Collison	Low/Med	The area is covered with play bark and kept to a minimum depth of 300mm. This activity is checked daily and the results recorded. Annual Outdoor Play equipment Inspections carried out.

Big Leap & Super Slide	Fall from Height Impact Trapping Static Burns	Low/Medium	Monitored by staff. It is not open in poor weather conditions. Ropes attach the slide and castle to the ground. Crash mats at base of slide and air bags. All signage instructions must be adhered to. Trip switch and RCD in place. This activity is checked daily and the results recorded.
The Big Dig (Sand Pit Play)	Sand in Eyes Fall from height	Low	The sand complies with British Standard BS5665 and is rounded sand. This activity is checked daily and the results recorded. All equipment in the build and play area is also checked as part of our Annual, Monthly, Daily Inspections.
Lost Children	Child becomes separated from group	Low	Group Leaders must have a list of the children in their care and carry out a periodic check of numbers. Group Leaders to instruct children of action required if lost. Count pupils on to the coach and then count again (another adult) before setting off. An onsite Tanoy system is used to make announcements of lost children.
Uneven Surfaces	Slip/Trip/Fall	Low	Group Leaders and children should take care when walking and wear sensible footwear when at the park. Children should be instructed not to run whilst on site. Appropriate signage is displayed where possible.
Wet Grass	Slip/Trip/Fall	Low	Group Leaders and children should be aware of the possibility of wet grass and take adequate precautions.
Insects and splinters	Stings Bites Splinters	Low	Trained first aiders always available. A fully equipped first aid room is on site.

Please note: all our events and activities are individually Risk Assessed and are undertaken at the discretion of the Group Leader taking into account the age and ability of the individual children in their care.
